I am the parent or legal guardian for the student listed above who is registering for The Avatar Professional Course.

I understand that it is my responsibility to ensure that an adult attends this course with my child and acts as guardian for my child throughout the course. The guardian can be a parent, legal guardian, or someone appointed by me to act as a temporary guardian.

I understand that Star's Edge, Inc., the Star's Edge Trainers, and other assistants and administrators to Star's Edge do not act as temporary guardians for any minor attending the course.

If I am appointing another person to act as temporary guardian, I certify that the adult named to attend with my child has my authority to act as temporary guardian for my child during the course. The person I am appointing is attending the course and understands that their priority during the course is overseeing the welfare of my child.

I hereby endorse my child's application for registration and ratify the agreement between my child and Star's Edge International.
